THE BEATLES Baby It's You

George Harrison *lead guitar*
John Lennon *rhythm guitar*
Paul McCartney *bass guitar*
Ringo Starr *drums*

Between March 1962 and June 1965, the Beatles played songs on 53 shows broadcast nationwide by the BBC's Light Programme. British pop fans who tuned to Saturday Club, Easy Beat, Top Gear or Pop Go The Beatles were treated to exclusive radio performances of both the familiar hits and the more unusual material from the group's eclectic pre-fame repertoire. Taken from the album 'Live At The BBC', 'Baby It's You' is augmented on this EP by three radio recordings that are released here for the first time.

SIDE 1

1) BABY IT'S YOU' — **John Lennon** *vocal*
(David -Bacharach-Williams) — *Pop Go The Beatles*

BBC Paris Theatre, London — *Producer: Terry Henebery*
Great admirers of the American girl-groups of the early sixties, they covered this American Top Ten hit for the Shirelles on their first album 'Please Please Me'. This BBC interpretation has a cute ending rather than the familiar fade-out on the record.

(Lennon-McCartney) — *Top Gear*
Trans: 26 November 1964 — *Rec: 17 November 1964*

Released on 'Beatles For Sale', 'I'll Follow the Sun' was featured, along with three other songs from the album, during their second appearance with Brian Matthew on his late night show Top Gear.

SIDE 2

1) DEVIL IN HER HEART — **George Harrison** *vocal*
(Drapkin) — *Pop Go The Beatles*
Trans: 20 August 1963 — *Rec: 16 July 1963*
BBC Paris Theatre, London — *Producer: Terry Henebery*
The marathon BBC session of 16 July 1963 eighteen songs for three programmes-gave an opportunity to try out this song by girl-group The Dovejs and two days later the EMI version was taped for the second album 'With The Beatles'.

2) BOYS — **Ringo Starr** *vocal*
(Dixon-Farrell) — *Pop Go The Beatles*
Trans: 25 June 1963 — *Rec: 17 June 1963*
BBC Maida Vale Studios — *Producer: Terry Henebery*
The Shirelles' original was on the flip-side of their biggest British hit 'Will You Love Me Tomorrow'. The Beatles' first album includes 'Boys' and this BBC take was selected from the seven occasions they recorded it for the radio.
