RINGO STAR
Produced by Richard Perry,
*George Harrison, **Pete Drake,
***Ringo Star

*This STEREO tape gives monaural reproduction when played on mon-equipment. This tape is mastered to Delby "8" standards for noise re Decrease treble response when playing on non-Delbyised equipment.

Made and distributed in Australia by E.M.I. (Australia) Limited, Sydney, N.S.W.

Cassette Care Do's and Don'ts

- **Don't** store cassettes on top of loud-speakers or other sources of magnetism.
- Don't store cassettes on radiators, other hot sura faces or in strong sunlight.
- Don't drop cassettes on the floor or subject them to any other violent knocks or vibration.
- Don't leave cassettes in the cassette player when not in use.
- Don't open the plastic case or tamper with the tape in any way.

- **Do...** return cassettes to their storage box after use.
- . . clean tape heads regularly.
- Do . . . have the cas-sette player regularly serviced once a year by a reputable dealer.
- **Do...** take up any unusual slack in the tape, rotating in the required direction.
