**LIVE AT THE BBC VOLUME 2**

As the Beatles' 50th anniversary approached, the group's live performances and BBC radio sessions were reissued on CD and DVD. This volume contains the group's live performances at the BBC, recorded between 1962 and 1966. The group played 88 different songs, and 100 of the songs on this album were never recorded by the group in the studio. The album is a celebration of the group's live performances and their relationship with the BBC. The album is a celebration of the group's live performances and their relationship with the BBC. The album is a celebration of the group's live performances and their relationship with the BBC.
