

All EPs come with a lyric sheet.

Label print for the EPs "Mfd. by Toshiba Musical Industries Ltd. Japan" changed around 1976 to "Mfd. by Toshiba-EMI Ltd. Japan".

The ¥600/¥700 print/stickers relate to the price printed on the rear cover or on top of the Obi.

It should be noted that the price change from ¥400 to ¥500 was affected around 1971 and that ¥400 covers were initially stickered with ¥500 prices, whereas this was later changed in print. Also, 'mismatches' of, for instance, discs which should be in a ¥400 cover but are found in a ¥500 cover are quite possible (and the other way around!).

There are covers with the record company printed only in Japanese characters and covers where EMI is printed in Western lettering (these are being referred to as "EMI Covers").

Years of release mentioned are approximate.
