ハッピー・クリスマス (戦争は終わった)
Happy Xmas (War Is Over) (A)

ほら、聞いてごらん、雪が降っているよ
Listen, The Snow Is Falling (B)

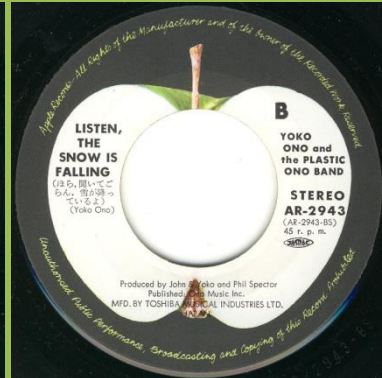

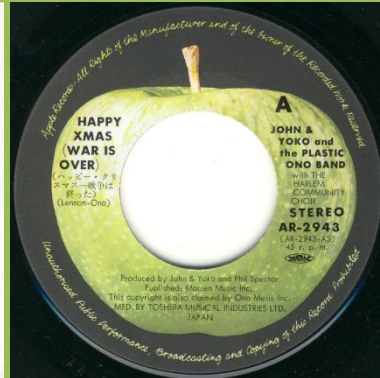

(歌と演奏) ジョン&ヨーコ (プラスチック・オノ・バンド)

HAPPY XMAS (WAR IS OVER) For yellow and red one
Happy Christmas Koko...
Happy Christmas John...
So this is Christmas
And what have you done
Another year over
And you won't just be gone
And so this is Christmas
I hope you have fun
When war and the dear ones
They'll hold up their arms
* * * I'm sorry that Christmas
And I hope you hear
Let's hope it's a good one
Without any fear
And so this is Christmas
For weak and for strong
The rich and the poor ones
The mad to us long
And so happy Christmas
For black and for white

Everywhere
Between and for straight
building
And between your father's land
All the time
Listen the snow is falling
All the time
Everywhere
Between your head and mine
Between your head and my mind
Listen the snow is falling
All the time
Between Tokyo and Paris
Between London and Dallas
Between your love and mine
Everywhere
Snow-fall
Snow-fall
Listen, listen,
Listen, listen, baby, listen...

LISTEN, THE SNOW IS FALLING
Listen the snow is falling
All the time
Listen the snow is falling
All the time
