...the most intimate and confidential world of their eggs, the supreme transcendence of the book, which before your eyes in two magnificently illustrated volumes rendered by the artist's hand that shared the same...

...introduced by George Harrison, these books communicate with human love, laughter, civility, tender shock... the most confidential contents of their eggs is contained within the fresh crust of the... Krishna is known as the crown of the... the object and most extensive disciplines in existence. Although Vyasa-deva composed the... and is sometimes said that he still lives in the Himalayas...

...this may appear to be a mixture of fact and fiction, but actually there is no fiction involved. Through... Krishna's (devotional) service we can come to know of the infinite spiritual life filled with tremendous planets on which there are people, trees, rivers, lakes, animals and, of course, Krsna himself.

...Through the medium of A.C. Bhaktivedanta Swami, anyone can reach the spiritual and inconceivable pastimes of Krsna as revealed in these volumes. You do not have to be a poet, a poet or a scholar to love and understand him... Radha and Krsna.
