THE FOOL ON THE HILL

Day after day, alone on a hill, the man with the foolish grin is
leaping perfectly still

But nobody wants to know him, they can see that he's just a
fool and he never gives an answer

But the fool on the hill sees the sun going down
And the eyes in his head see the world spinning round

Well on the way, head in a cloud, the man of a thousand
voices talking perfectly loud

But nobody ever hears him or the sound he appears to make
and he never seems to notice

But the fool on the hill sees the sun going down
And the eyes in his head see the world spinning round

And nobody seems to like him they can tell what he wants to do
And he never shows his feelings but the Fool on the Hill

Sees the sun going down and the eyes in his head see the world
spinning round

He never listens to them he knows that they're the fools
They don't like him

The Fool on the Hill sees the sun going down
And the eyes in his head see the world spinning round
